**[Hon'ble Mr. Justice A. M. Badar & Hon'ble Mr. Justice Chandra Shekhar Jha]**

**Issue for Consideration**

Whether the prosecution successfully proved the guilt of the appellants beyond reasonable doubt based on the testimony of a single eyewitness.

**Headnotes**

From the autopsy report of all three deceased persons, death was caused out of gunshot injuries. Investigating Officers found several marks of firing on the walls of the room and also collected about 40 empty cartridges along with one misfired cartridge from place of occurrence, which support the version of indiscriminate firing, as it was made by appellant/convict. Nothing surfaced from the cross-examination of PW-1, which may create a doubt on his version as deposed before the trial court regarding occurrence, being eye-witness. (Para 29)

Ocular evidence of PW-1 is corroborated by medical evidence and also with the seizure list. The testimony of PW-1, who is the eye-witness cannot be disbelieved merely because certain insignificant, normal or natural contradictions have appeared into his testimony. Deceased were attacked by appellants/convicts in broad daylight where the motive behind attack is clear as there was previous enmity between accused/appellant/convict *qua* informant. (Para 30)

There is no reason to interfere in the findings of conviction and order of sentence. (Para 31)

**3.** Both above criminal appeals heard together and decided through this common judgment.

**4.** Factual matrix of this case as it springs from written information of the informant, namely, Shashi Bhushan Singh (PW-2) dated 20.07.2011 that his younger brother, namely, Mani Bhushan Singh, proceed from his village "*Jhaua Basant*" at about 1.00 PM to the house of his friend, namely, Pappu Singh in connection to discuss business matter and

thereafter to visit Lucknow by train in evening, in meantime, he received a call at about 3:30 PM from one Chandrashekhar Singh, resident of Ghosh Colony, P.S. Muffasil, Chapra as to come immediately to the house of Pappu Ji, where indiscriminate firing was made, which is still continue, where 3-4 persons received gun shot injuries. On said information, informant (PW-2) went to the place of occurrence and found that his brother Mani Bhushan Singh, his driver Dinesh Yadav, Son of Bhikhari Rai, Resident of Banwari Basant, P.S. Garkha and one Devendra Singh, Son of Late Sudama Singh, Resident of Pipra Thana, Panapur, were found killed due to gun shot injuries. He inquired about the occurrence from Pappu Singh, where he came to know that 4-5 unknown accused persons arrived there equipped with AK-47 rifles, carbine and revolver and opened indiscriminate firing immediately after coming to the room of first floor, where Mani Bhushan Singh, Dinesh Yadav and Devendra Singh were killed. He raised suspicion that the murder of his brother and others were done by Avinash Rai, S/o Jamadar Rai (Appellant/convict), Resident of Banwari Basant, Thana Garakha, Nikesh Rai @ Piyush Raj (Appellant/convict), Son of Laxman Rai, Mahesh Rai, Son of Laxman Rai, Both residents of Ramgarha, P.S. Autar Nagar,

Devendra Singh @ Puttu, resident of Banwar, P.S. Daudpur and their associates. Reason for suspicion as explained that all these accused persons were in inimical terms with informant and also with his deceased brother Mani Bhushan Singh as one Sanjay Singh their friend was killed some years back by one Rakesh Rai, who is the brother of co-accused Mahesh Rai. It is further stated that he was named in the murder case of one Mohan Rai, who was Fufa (husband of his father's sister) of co-accused Mahesh Rai. It is also stated that Rakesh Rai, Manoj Rai and Manish Kumar were killed in police encounter where he was suspected as police spy by accused persons. All these occurrence collectively increased the threshold of inimical terms, where he received threat of life. It is also stated that he received information prior to this occurrence that Avinash Rai, Mukesh Rai, Mahesh Rai and others were looted Rs. 20 lacs somewhere in Pratap Garh in Uttar Pradesh, and in said case STF Team also visited their village and furthermore, with same looted money, one AK-47 was purchased. Prior to purchase of AK 47, Carbine and revolver were already available with them. Informant further stated that prior to 2-3 days of this occurrence, he and his deceased brother, namely, Mani Bhushan Singh received threat to life but they took it in very casual manner as

they were in habit to receive such threat but now he is claiming to be sure that his brother Mani Bhushan, Devendra Singh and Dinesh Yadav were killed in very planned manner by Avinash Rai (appellant), son of Jamadar Rai, resident of Banwari Basant, Thana Garkha, Nikesh Rai @ Piyush Raj (appellant) and Mahesh Rai, Both Son of Laxman Rai, Resident of Ram Garha, P.S. Autar Nagar, Devendra Singh @ Puttu Singh, Son of unknown, resident of Banwar, P.S. Daudpur and their associates.

5. On the basis of aforesaid written information Chapra Town P.S. Case No. 154 dated 20.07.2011 was lodged under Section 302/120B/34 read with 27(3) of Arms Act against four named accused persons, namely, Avinash Rai, son of Jamadar Rai, Nikesh Rai @ Piyush Raj and Mahesh Rai, Both Sons of Laxman Rai, Devendra Singh @ Puttu Singh, Son of unknown and unknown co-accused persons (number not specified), whereafter investigation, police submitted charge sheet against Nikesh Rai @ Piyush Raj, Avinash Rai and Shambhu Rai (All appellants/convicts). Whereafter, taking note of materials available on record, Learned Jurisdictional Judicial Magistrate took cognizance against appellants convicts under Sections 302/34, 120B of the Indian Penal Code and 27 (3) of the Arms Act, 1959. Accordingly, charges were framed against

appellants/convicts, where appellants/convicts pleaded “Not Guilty” and claimed their trial.

6. After the trial, appellants/convicts were convicted under Sections 302, 120B of the Indian Penal Code and also against 27 (3) of the Arms act and accordingly sentenced for life imprisonment alongwith fine.

**ARGUMENTS ON BEHALF OF LEARNED COUNSEL  
APPEARING ON BEHALF OF APPELLANTS/CONVICT.**

11. It is submitted by Mr. Rajendra Narayan, learned Senior counsel while appearing on behalf of appellants that with the available evidence it cannot be said that prosecution established its case against appellants/convicts beyond all reasonable doubts during the trial as to convict them. It is submitted that apparently, informant is not the eye witness of the occurrence and the basis of entire narrations as set out in FIR is the hearsay version as received from Pappu Singh. It is submitted that as per narration of FIR Chandrashekhar Singh, resident of Ghose Colony, P.S. Muffasil, Chapra would be the informant of this case, who narrated the occurrence to informant over telephone. It is also submitted that only eye witness of this occurrence, who is PW-1, namely, Manjit Kumar Singh examined separately in both trial i.e. Session Trial No. 107/12 which amalgamated later on with Session Trial No. 107A/12. It is submitted that there is a material contradictions in his

deposition as regard to manner of occurrence. It is also submitted that the name of appellant/convict Shambhu Singh first time surfaced during examination of PW- 2, who is none but the informant and who failed to named him in FIR. It is submitted that there is no evidence either direct or circumstantial which may established the version of PW-2 that appellant/convict Shambhu Singh was the Spy of main co-accused persons. It is also submitted that place of occurrence is also appearing disputed in terms of deposition of PW-9, namely, Arun Kumar Tiwari, who is the investigating officer of this case. It is submitted that save and except PW-1, namely, Manjit Kumar Singh, no one is the eye witness of the occurrence. While concluding arguments, it is submitted that the deposition of said eye witness, namely, Manjit Kumar Singh (PW-1) having several contradictions and on this score his version as eye witness appearing doubtful and just appears to secure conviction. It is further submitted that PW-9, who immediately visit place of occurrence failed to find PW-1 thereof and this fact get its strength as his statement was recorded at his village and as such it can be safely gathered that PW-1 was roped in this case as an eye witness in planned manner only to secure conviction.

**12.** It is further submitted by learned counsel appearing on behalf of appellants that PW-2, namely, Shashi Bhushan Singh, who is the informant of this case is a hearsay witness and as such, foundation of this case is based upon the hearsay input as provided by PW-1, claiming to be an eye-witness of the occurrence. It is submitted that hearsay evidence does not put any responsibility, as witness, giving any such statement as held in the matter of *Kalyan Kumar Gogoi Vs. Ashutosh Agnihotri, (2011) 2 SCC 532*. It is also submitted that there is no *prima facie* evidence affording a reasonable ground to believe that appellant/convict Shambhu Rai was member of a conspiracy. From deposition either of PW-1 or any witnesses deposed before the learned trial court or circumstances thereto nothing appears that anything said, done or written by him after the intention was formed by any of the co-accused persons including appellant/convict. The only evidence available against the appellant/convict Shambhu Rai is that he worked as a liner aiding main co-accused persons. In support of submission, learned counsel relied upon the report of *Saju Vs. State of Kerala* as reported in *AIR 2001 SC 175*.

**ARGUMENTS ON BEHALF OF LEARNED APP**

13. Learned APP while arguing matter on behalf of the State submitted that it is the settled principle of law that number of witness is not required to established criminal case beyond any reasonable doubt, rather if a single witness is imposing such confidence that none else accused committed crime, the conviction can be secured. It is pointed out that it is settled principle of law that minor contradictions cannot be taken into consideration. It is submitted that PW-1 is the eye witness of the occurrence and nothing surfaced in his cross-examination, which may create a doubt on his version. It submitted that occurrence is a brutal day light murder of three persons, in which prohibited Arms were used. It is also pointed out that the deposition of PW-1, namely, Manjit Kumar Singh is in full corroboration with depositions of Dr. Rameshwar Prasad (PW-5), Dr. Shailendra Kumar Singh (PW-6) and Dr. Krishan Mohar Dubey (PW-7), who were conducted postmortem and found that the death was caused due to gun-shot injuries. It is also submitted that more than 40 empty cartridges were recovered from place of occurrence, suggesting thereof indiscriminate firing as deposed by PW-1 during the course of

occurrence. This fact also appears corroborated from seizure list **(Exhibit-4)** which suggest recovery of 40 empty cartridges and one live cartridge as also supported by PW-4. Learned APP further pointed out that from the deposition of PW-9, who is the I.O. of this case, it appears that total of 20 bullets marks were noticed upon wall of the room in which firing was made, which also support the version of prosecution as regard to indiscriminate firing, at place of occurrence causing death of three persons.

**14.** Learned APP relied upon the reports of Hon'ble Supreme Court in the matter of *State of M.P. V. Ramesh (2011) 4 SCC 786* and also in the matter of *Mekala Sivaiah Vs. State of Andhra Pradesh* reported as *AIR 2022 SC 3378*. It is relevant to reproduce the para-22 of the judgment:-

*“22. The contentions raised by the appellant are on the weaker side in relation to testimonies of prosecution witnesses as it has been contended that PW-1 to PW-4 are the supporters of Telugu Desam Party and their evidence were contradictory with respect to the nature of injuries inflicted upon the deceased, place of occurrence etc. The testimony of a witness in a criminal trial cannot be discarded merely because of minor contradictions or omission as observed by this Court in Narayan Chetanram Chaudhary and Anr. V. State of*

*Maharashtra, wherein while considering the issue of contradictions in the testimony, while appreciating the evidence in a criminal trial, it was held that only contradictions in material particulars and not minor contradictions can be a ground to discredit the testimony of the witnesses. In paragraph 42 of the judgment, it has been held as under:-*

*“42. Only such omissions which amount to contradiction in material particulars can be used to discredit the testimony of the witness. The omission in the police statement by itself would not necessarily render the testimony of witness unreliable. When the version given by the witness in the Court is different in material particulars from that disclosed in his earlier statements, the case of the prosecution becomes doubtful and not otherwise. Minor contradictions are bound to appear in the statements of truthful witnesses as memory sometimes plays false and the sense of observation differ from person to person. The omissions in the earlier statement if found to be of trivial details, as in the present case, the same would not cause any dent in the testimony of PW2. Even if there is contradiction of statement of witness on any material point, that is no ground to reject the whole of the testimony of such witness.”*

**CONCLUSION:-**

**15.** We perused evidence and materials available on record carefully and also heard learned Counsel appearing on behalf of appellants/convicts and learned APP appearing on behalf of the State.

He failed to depose about the exact number of accused persons and denied the suggestions as deceased were criminals and due to previous enmities appellants/convicts were named with present occurrence. Shifting to deposition of PW-1 which was recorded in Session Trial No. 107A/12, where he also supported the occurrence of 20.07.2011, which took place at about 3:15 PM almost with same narration as he deposed in his examination-in-chief, as PW-1 in Session Trial No. 107/12, as discussed above.

He denied to suggestion as advanced by learned counsel appearing on behalf of appellants/convicts before the trial court that he was not present at the place of occurrence. He denied to state that he is a man having criminal image and as accused Mahesh Singh is involved in the murder of his brother, he is deposing falsely in present case.

He also identified signature on inquest report of deceased Devendra Singh which exhibited as **Exhibit No. 5/4** before the trial court.

On cross examination, he failed to depose about the contents of both exhibits. It is also deposed by him that inquest report was not prepared before him and he signed said report as asked by Daroga Ji (police).

**26.** PW-11 is also not the eye witness of the occurrence. He is a seizure list witness of seized mobiles, which was seized from Nikesh Rai (appellant/convict). He identified his signature over seizure, which on his identification exhibited as **Exhibit No. 8**. He also identified seizure list of mobile phone of Avinash Rai (appellant/convict) where he identified his signature, which on his identification exhibited as **Exhibit No.**

**8/1.**

On cross-examination, he stated that at the time of preparing seizure list he was posted in Town P.S. Chapra in 2011. It is also stated by him that seizure list was prepared in premises of police station. It is also stated that when he signed the seizure list, the signature of Brij Mohan Rai was also available as a witness, over seizure list.

**27.** PW-12, is also a seizure list witness, who produced the seized empty cartridges before the learned trial court after opening the sealed box. There were 33 empty cartridges of 7.62 bore, 7 cartridges of 9 mm bore, one live cartridges of 7.62 bore, Total 41, which were exhibited before the Court as material exhibit starting from I to XLI. He also produced before the Court one micromax mobile, one spice mobile, one zen mobile, one Max mobile, 13 SIM of different companies, driving licence of one Mukesh Kumar, ATM card of SBI in name of Jamadar Rai. He also stated that mobile number is not written on any of the seized mobile and also that none of the mobile was sealed. He denied the suggestion that seizure list is forged and was prepared only for prosecution purpose.

**28.** The main contention of argument as advanced by the learned counsel appearing on behalf of the appellants is that the version of PW-1, namely, Manjit Kumar Singh, who is only eye-witness of the occurrence cannot be believed for several contradictions. It appears as per the deposition of PW-8, who is Nandu Sharma as deposed in para-6 of his cross-examination that informant PW-2, namely, Shashi Bhushan Singh stated before him that when he visited the place of occurrence, PW-1

was not available there and he came to know about the occurrence from Manjit (PW-1) on the next date of occurrence. It also appears from deposition of PW-9, namely, Arun Kumar Tiwari, who is second investigating officer of this case as deposed in para-9 that deposition of Manjit Singh was recorded on 21.07.2011 at his village, namely, Baikunthpur. It appears from para-8 of his deposition that he recorded the deposition of one Rajesh Singh at the place of occurrence, who supported the narration of written information. From para 14 of his deposition, it appears that PW-1 told him that he came to his house immediately after the occurrence by motorcycle and his statement was recorded on 21.07.2011 at 1.45 AM at his residence. PW-9 specifically deposed that beside Manjit Singh (PW-1), Chandrashekhar Singh and Mritunjay were eye-witness of this occurrence. PW-9 found wooden cot i.e. *Chowki* on place of occurrence, where PW-1 keep him hide from appellants/convicts during course of occurrence and same appears corroborated with deposition of PW-1, also. Having these backgrounds of contradictions, on critical analysis of the depositions of PW-1 (only eye witness), PW-2 (informant) *qua* PW 8 and PW-9 who are the Investigating Officers of this case in totality as discussed above, it appears that nature of

contradictions of their statements are minor in nature and is not of such a nature which can convinced us to disbelieve the substantial deposition of PW-1, as an eye-witness of the occurrence by negating his presence.

**29.** From the deposition of PW-1, it appears that the person who appeared in room (exact place of occurrence) where deceased were present are appellants/convicts Nikesh Rai @ Piyush Raj and appellant/convict Avinash Rai, who fired indiscriminately causing death of brother of informant, namely, Mani Bhushan Singh, Devendra Singh and Dinesh Yadav. Nothing appears from his deposition that the appellant/convict Shambhu Rai was present there or there is anything like which may connect him with this occurrence as one of the conspirator or a person having common intention. He not even named appellant/convict during his entire deposition. It appears that name of appellant/convict, namely, Shambhu Rai appears first time in deposition of informant (PW-2), who is not the eye-witness of the occurrence and he named this appellant/convict on the basis of suspicion as arises out of previous litigations/enmities, where it was deposed that the appellant/convict worked as a liner but nothing surfaced either from his deposition or from the evidences available on record,

which may support his version as regard to involvement of appellant/convict Shambhu Rai in present occurrence. From the autopsy report of all three deceased persons as appearing from depositions of PW-5, PW-6 and PW-7 who are doctors that death was caused out of gun shot injuries. Investigating Officers PW- 8 and PW-9 found several marks of firing on the walls of the room and also collected about 40 empty cartridges alongwith one misfired cartridge from place of occurrence, which support the version of indiscriminate firing, as it was made by appellant/convict. Nothing surfaced from the cross-examination of PW-1, namely, Manjit Kumar Singh which may create a doubt on his version as deposed before the trial court regarding occurrence, being eye-witness.

**30.** In the fact stated above, it can be safely said that ocular evidence of PW-1 is corroborated by medical evidence and also with the seizure list. The testimony of PW-1, who is the eye-witness cannot be disbelieved merely because certain insignificant, normal or natural contradictions have appeared into his testimony. Deceased were attacked by appellants/convicts Nikesh Rai @ Piyush Raj and Avinash Rai in broad daylight where the motive behind attack is clear as there was previous enmity between accused/appellant/convict

*qua* informant (PW-2).

**31.** In view of the above mentioned facts and circumstances, we are convinced that there is no reason to interfere in the findings of conviction and order of sentence *qua* appellant Nikesh Rai @ Piyush Raj of Criminal Appeal (DB) No. 117 of 2018 and Avinash Rai of Criminal Appeal (DB) No. 199 of 2018.

**32.** Hence, appeals of appellant Nikesh Rai @ Piyush Raj of Criminal Appeal (DB) No. 117 of 2018 and Avinash Rai of Criminal Appeal (DB) No. 199 of 2018 are dismissed herewith by confirming their conviction and order of sentence as held by learned Trial Court through order and judgment dated 18.12.2017 and sentence dated 22.12.2017 passed by the learned Additional Sessions Judge IX, Saran at Chapra in Session Trial No. 107 of 2012/4868 of 2014 (arising out of Chhapra Town P.S. Case No. 154 of 2011).

**33.** In view of the facts as discussed above, it appears that prosecution failed to established any common intention or conspiracy on the part of appellant/convict, namely Shambhu Rai from evidences available on record to established his guilt beyond reasonable doubts.

**34.** Accordingly, the appeal of appellant, namely,

Shambhu Rai stands allowed.

**35.** The impugned order and judgment dated 18.12.2017 and sentence dated 22.12.2017 passed by the learned Additional Sessions Judge IX, Saran at Chapra in Session Trial No. 107 of 2012/4868 of 2014 (arising out of Chhapra Town P.S. Case No. 154 of 2011 are set aside, *qua* appellant/convict Shambhu Rai, who accordingly acquitted of the charges levelled against him. He is directed to be set at liberty forthwith unless his detention is required in any other case.

**36.** Fine if any paid by appellant/convict Shambhu Rai be returned to him immediately.
